

## VOLKSBANK LTD – OUR VALUES

### EXCELLENT ADVISORY SERVICE AND CUSTOMISED SOLUTIONS – COMMITTED TO OUR TRADITIONAL VALUES

#### ■ Who are we and what do we do?

We, the Volksbank Ltd are a **private bank having regional roots**. With our service offer, we are focussing on **Core Affluents and Private Banking Customers** in German-speaking Switzerland. In addition, our service portfolio aims at looking after **tax paid funds of foreign customers**.

#### ■ What distinguishes us?

At Volksbank Ltd, we combine our **advisory skill**, which is substantiated by the Kompass advisory approach that has won numerous awards, with the **traditional values** of our bank such as **stability, solidity** and **partnership**, and the competence and first-hand experience of our client advisers.

The values, to which we are committed, are not a hollow promise. **For us, stability** predominantly means **independence** and **value retention**. We have consistently tailored our product strategy accordingly and stand for **neutrality** through our **open platform** and focus on **safeguarding your assets**.

#### ■ Why should you establish a business relation with us?

The value that we generate for our customers is a combination of the **living values of the bank**, expertise of our advisers and understanding of the individual needs of our customers.

We **are committed to these values** and you can be sure that you will get **excellent advice** and **customised solutions**.

We thus help you achieve your financial goals and you are free to attend to other matters without worrying about this.
